AGREEMENT

1. I hereby declare that the information in this document is true and correct.
2. I accept the terms and conditions as set out in the by-laws and regulations by the relevant City Council for the control of electricity and water, as revised from time to time.
3. I understand that the meter is a sub meter and are not intended to replace any primary meter already installed by the local authorities.
4. Although all effort will be made to ensure that the correct tariff is loaded on the sub meter it is the responsibility of the owner to verify the correctness thereof.
5. If the equipment was supplied and installed by Triple -M Metering Services, and it becomes faulty due to technical reasons, a new meter will be installed free of charge. In the event of the meter becoming faulty or being damaged as a result of tampering, interfering illegal operation, abuse or the use of the meter contrary to the instructions of the manufacturer concerned. In such circumstances, a new meter will be reinstalled by Triple – M Metering Services but be invoiced at the full replacement and installation cost thereof which will then be payable to Triple – M Metering Services by the Owner/Client of the premises. The Owner/Client concerned shall make their arrangement to recover such expenses from the consumer/occupant/party that was responsible for the damage caused to equipment concerned directly.
6. Triple – M Metering Services shall not be liable to the owner/Client for any delictual liability, loss, expense, claim, action, or damage suffered or sustained by the party or any other party, howsoever arising, unless such liability, loss action, expense claim or damage arises out of pursuant to an intentional or grossly negligent wrongful act or omission of Triple – M Metering Services.
7. Triple – M Metering Services shall not be liable to the owner/client or any other party, in any circumstances whatsoever for any indirect, contingent or consequential loss sustained or incurred by such party howsoever arising, and of whatsoever nature, including but not limited to loss of profits, whether or not both parties or either party contemplated such losses or damages at any time.
8. I accept that in the event of an unauthorized reconnection of services or tampering with the meter or wiring or wiring within the DB box, I will be fined **R2000.00** and Triple – M Metering Services reserves the right to lay criminal charges and that I will be held liable for any damages as a result thereof. The owner will be liable for any outstanding balances accrued due to the prepaid meter being tampered with or wires within the DB box being tampered with this includes and is not limited to the tamper fine of **R2000.00**.
9. We will assist every customer to the best of our ability at all times, however, that does not include overruling any company policy or processes. Processes and procedures have been put in place for the services we provide to

Without following processes, we will not be able to give you a good service in the future that you can be happy with.
